

February Kindergarten Everyday Math Home Links

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	Practice writing numbers 0-15.	Get a handful of coins and sort them.	Find 3 things shorter than you in your house.	Make a pattern with forks & spoons.	Count by 10's to 120.	
	Start at 5 and count to 25 using your number grid.	Tell a number story.	Find 3 things taller than you in your house.	Find & name shapes in your house.	Grab a handful of coins and count the quarters.	
	Find 3 things of equal height to you.	Find 5 things in your house that are your favorite color	Practice writing numbers 0-15	Count your Valentine's cards	Use the number grid and count to 90.	
	Tell a number story.	Use the number grid and count backwards from 15-0.	Use the number grid and count by fives to 110.	Practice writing numbers backwards from 15-0.	Look in your kitchen for utensils and make a pattern.	
	Find 3 things in your house that are taller than you.	Look in your house for three red things, three blue things, and three green things. How many all together?	Use the number grid and count backwards from 18-0.	Tell a number story.	Use the number grid and count to 90.	

Please note: If any of these activities are too difficult or too easy for your child, consider modifying or adjusting the numbers to better reflect his or her needs.
